

**Greater peace of mind in places without electricity
or with limited communication**

**THE MOST POWERFUL AUTONOMOUS
PLANT ON THE MARKET**

The **VESTA by Climax grade 2 battery powered, 100% self-contained panel** is the grand launch of the revolutionary intrusion brand, designed for applications lacking electrical connection or router internet access.

- ✓ **Does not require external power or internet connection via router**
- ✓ **2G and 4G LTE** communication flexibility, allowing you seamless communications at remote sites
- ✓ Battery life of **1 year and 2 months**, with test transmissions **every 6 hours**
- ✓ Up to **50 radio zones** with a range between device and control panel of up to **2 km**
- ✓ Compatibility with the large catalog of more than **50 F1 devices**: keyboards, sirens, smoke sensors, PIR detectors, PIRCAMS, temperature sensors, door contacts, perimeter detectors, vibration sensors, etc.
- ✓ Supports **indoor and outdoor PIRCAMS**, allowing users and monitoring stations to visually verify the alarm
- ✓ Supports **smoke detectors and water sensors**, for protection against fire damage and water leaks 24 hours a day
- ✓ It admits **temperature sensors** for protection against high and / or low temperatures with the possibility of setting ranges
- ✓ Allows total configuration from **keyboard and LCD** screen incorporated in the control panel
- ✓ **Automatic arming / disarming** programming by calendar
- ✓ **Built-in 100dB siren** to emit an immediate warning, with the possibility of adding indoor and outdoor F1 sirens
- ✓ **Extreme comfort and flexibility** in the methods of communicating events and photos to CRA (MANITOU, MANITOU encrypted, CID, SIA)
- ✓ Possibility of **remote access to CRA** for quarterly tests using a WAKE UP command
- ✓ **Grade 2 Certificate**

PRODUCT RANGE

VESTA-067 (BOGP-3-2G)

Battery-powered cellular alarm system with 2G communication

VESTA-068 (BOGP-3-4G)

Battery-powered cellular alarm system with 4G communication

REMOTE CONTROL OF YOUR SECURITY SYSTEM

With the free SmartHomeSec app, for users and installers

- ✓ Push **notifications** of events and alarms
- ✓ Alarm notifications with **photos**
- ✓ **Convenient and quick setup (less than 10 min.)** Via installer app
